

WISSAHICKON FIRE COMPANY

100% Volunteer

Station 7A - Ambler

Please Support Our Annual Fund Drive

As we start our annual fund drive, we remind you that it is dedicated volunteers who provide the fire and rescue service in our community. These volunteers, your neighbors, give freely of their time to train, prepare, and respond to your call for help any time of the day or night, every day of the year. They responded to 589 Emergency Calls in 2013 alone!

The Wissahickon Fire Company was established in 1891 by 36 residents to protect the community from fire. Dedicated volunteers have protected Ambler Borough, Lower Gwynedd Township and surrounding communities continuously since then.

**Any Time of Day...
...We Will Be There
To Help You!**

100% VOLUNTEER... 100% OF THE TIME. Our fire company is comprised of two fire stations, five apparatus, four vehicles, two boats, and over 80 firefighters and fire police. These men and women are all volunteer and receive no compensation for their services. Once a year we ask for your assistance to help us provide the necessary apparatus, equipment, and protective gear to maintain this 100% VOLUNTEER force.
