

# GOING GREEN AWARD APPLICATION

Do you know someone in Lower Gwynedd who has worked to advance sustainability and promote environmental awareness? Have you done work you would like others to know about. Nominate that business, educational institution, group, organization, resident, non-profit, or yourself for the Going Green Award.

To promote sustainability and environmental stewardship in the community, Lower Gwynedd has established the Going Green Award. The award recognizes sustainable activities of Lower Gwynedd residents, businesses, groups, organizations, educational institutions, non-profits, or other entities in Lower Gwynedd Township.
